Dear (First Name),

Did you know three women are killed **each day** by their husband or boyfriend in this country? Domestic Violence is a crime that will affect 1 in 3 women **and** 1 and 4 men in their lifetime. I am not okay with this, and I'm sure you're not either!

The good news is there is a place here in central Ohio that provides shelter, safety, healing and hope to women and men who are escaping a domestic violence situation. [LSS CHOICES for Victims of Domestic Violence](#), the only DV shelter in Franklin County, provides emergency shelter, a 24-hour crisis hotline, domestic violence counseling, and access to legal advocates and peer support groups.

In order to provide these life-saving services, CHOICES needs the support of our community. This is why I joined Team CHOICES as a volunteer fundraiser. My goal is to raise \$XXX for CHOICES by October 31st.

Would you help me reach my goal by making a gift today? You can make a gift easily online on my fundraising page here: ([insert your fundraising page link here](#))

Your gift will have an incredible impact. It will help victims regain their freedom from domestic violence and rebuild their lives!

Thanks in advance for your support!
